VAGABOND WORLD WHISKEY FLIGHT

\$124++

A quick look at the whiskeys from around the world with a selection that is not easily found in Singapore.

Westward, Pinot Noir Cask Finish, American Single Malt

This expression sees the classic Westward American single malt treated to a finish in French Oak casks that previously held Pinot Noir from producers around Willamette Valley wine region in Oregon. A generous abundance of stone fruits, hints of chocolate pralines and robust oak on the nose. The palate gives soft apricot and pressed apples with dustings of cinnamon and nutmeg, followed by raisin studded biscuits and banana bread loaf. The finish presents sultanas and dried cranberries along with plenty of hearty spice and leathery oak.

Nikka, Tailored, Japanese Single Malt

A fabulous Japanese blended whisky from Nikka, Tailored brings together a core of malted barley from the Miyagikyo and Yoichi distilleries, along with Coffey still grain whisky! A brilliant balance of sweet fruit and more bitter notes, the distillery suggests enjoying it alongside some dark chocolate. Fresh stone fruit, with nectarine and dried apricot supported by waxy peels, touches of pithy citrus and a dusting of cocoa on the nose. On the palate, Initially sweet and buttery, with baked custard tarts balanced by orange marmalade and bitter dark chocolate. The finishing lingers with roasted coffee bean, fresh apple and vanilla pod.

Miltonduff 10 Year Old, Gordon & MacPhail Discovery, Single Malt Scotch

The Miltonduff distillery lies in the Glen of Pluscarden, where once played host to at least 50 illicit distilleries in the past. It was founded in 1824, and at one moment, it became one of the most important whiskey for Ballentine products. Now it is owned by Chivas Brothers. Interestingly, there was an official bottling, but it is no longer being produced and there are only a handful independent bottling. On the nose we get toffee apples, rum soaked raisins while chocolate and butterscotch runs wild on the palate with cloves bringing in the warmth.

Kavalan Triple Sherry Casks, Taiwanese Single Malt

A rare combination of three exquisite sherry-aged casks – Oloroso, Pedro Ximenez and Moscatel – with the dried fruits of Oloroso as the main character. Rich caramel and the sweetness of maltose are layers with the distillery's unique tropical fruits to create a delicate but distinct sherry whisky that can be enjoyed on easy-drinking occasions with friends. Tart berries, dates, orange chocolate, milky coffee and caramel digestives on the nose while the palate gives you dried mango, baking spices, candied nuts and chocolate-coated cherry. At the finish, you will get candied ginger, sweet balsamic and apricot jam.

Sullivan's Cove, American Oak Cask, Australian Single Malt

Sullivan's Cove is made in the Tasmanian Distillery and it is producing a single malt whisky in a Scotch style. This bottling has been matured in ex-Bourbon barrels and uses water pulled from the surrounding rainforest. On the nose, a real nuttiness emerges first completed with an amalgamation of cereal grain and oats. The palate reveals freshness and enticing with subtle notes of citrus and broader tones of vanilla. Vanilla and hazelnuts conclude this antipodean dram.
