BOWMORE 15 YEAR OLD – ASTON MARTIN EDITION

43% ABV | Single Malt Scotch Whisky | Islay, Scotland

Smooth, approachable, and brimming with warmth, The Balvenie 14 is matured in traditional oak before finishing in Caribbean rum casks. Expect aromas of ripe tropical fruit — pineapple, banana, and mango — layered with vanilla and soft oak. On the palate, honeyed malt and creamy toffee lead into caramelized brown sugar and gentle spice. The finish lingers with mellow vanilla sweetness and a touch of peppery warmth, offering a dessert-like indulgence that remains effortlessly balanced.

LEDAIG 18 YEAR OLD

46.3% ABV | Single Malt Scotch Whisky | Isle of Mull, Scotland

A richly smoky Island malt from Tobermory Distillery, matured in oak and finished in Oloroso sherry casks. The nose reveals smoky sherry richness layered with seaweed, salted creosote, pepper, and sweet oak. On the palate, herbal peat smoke intertwines with orange peel, coffee, sea salt, tobacco, and warming spice. The finish is long, maritime, and smoky, with lingering liquorice and gentle warmth.

ARBEG CORRYVRECKAN

57.1% ABV | Single Malt Scotch Whisky | Islay, Scotland

A bold, high-strength Islay whisky inspired by the powerful Corryvreckan whirlpool. The nose bursts with intense peat smoke, tarred rope, sea spray, espresso, dark fruits, and cracked black pepper. Full-bodied and chewy on the palate, it delivers peppery spice, smoky bacon, roasted coffee, seaweed, dark chocolate, and liquorice. The finish is long, deep, and uncompromising — a dramatic yet balanced expression for peat lovers.

PORT ASKAIG 2011 (SINGLE SHERRY CASK)

60.6% ABV | Single Malt Scotch Whisky | Islay, Scotland

An Islay single malt drawn from a single sherry cask after a decade of ageing. Aromas of peat smoke, ash, baked orchard fruit, vanilla, and red berries are framed by coastal brine and wood smoke. The palate balances rich peat with orchard apples, berries, creamy vanilla, and gentle spice. The finish is long and warming, with lingering smoke, subtle sweetness, and peppery depth.

BUNNAHABHAIN STAOISHA HEAVILY PEATED – 7 YEAR OLD

64.1% ABV | Single Malt Scotch Whisky | Islay, Scotland

A powerful, youthful expression showcasing Bunnahabhain's heavily peated Staoisha style. The nose opens with iodine-laced sea breeze, maritime brine, and dense peat smoke, lifted by citrus zest and herbal notes. On the palate, intense peat is balanced by salty brine, vanilla sweetness, orchard fruit, and earthy char. The finish is long, smoky, and saline, with lingering peat embers and flashes of citrus and honeyed warmth.
